INDEPENDENT AUDITOR'S REPORT

To: The Board of
Canmore Community Housing Corporation

Opinion

We have audited the financial statements of the Canmore Community Housing Corporation which comprise the statement of financial position as at December 31, 2018, and the statements of operations, change in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2018, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

INDEPENDENT AUDITOR'S REPORT, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CANMORE COMMUNITY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2018

1. Nature of operations

Canmore Community Housing Corporation (the "organization") was incorporated on April 11, 2000 as a non-profit entity solely owned by the Town of Canmore and as such is not a taxable entity under the provisions of the Income Tax Act.

The purpose of the organization is to help the Town of Canmore maintain a healthy and balanced community over the long term by providing a mix of rental and ownership housing that is appropriate to the needs of the community and to enhance quality of life by facilitating the development of a perpetual stock of suitable housing for residents whose housing needs are not being met through other means.

Rental housing is provided in the form of apartment-style units as well as homes held in inventory awaiting resale under the Perpetually Affordable Housing (PAH) initiative.

PAH, for ownership purposes, is achieved by retaining title to housing units, while assigning the land and the building to qualifying homeowners by way of a 40 to 50 year initial lease term at below market purchase prices with two optional renewal terms of 25 years each.

2. Significant accounting policies

The financial statements are prepared in accordance with Canadian public sector accounting standards. The significant policies are detailed as follows:

(a) Revenue recognition

The organization follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Rental income is recognized in the financial statements as revenue in the period in which the income is earned. Security deposits are not recognized as revenue, but rather are held in trust until returned to the tenant or used to offset damages caused, at which time they would be recognized into revenue.

2. Significant accounting policies, continued

(b) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expense during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

(c) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenue over expenses, provides the Change in Net Financial Debt for the year.

(i) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized over the estimated useful life as follows:

	Years
Leasehold improvements	5 years straight line
Buildings	4% declining balance
Computer hardware	50% declining balance
Computer software	2 years straight line
Furniture and office equipment	5 years straight line
Land improvements	5 years straight line

(ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

(d) Investment in future housing developments

Investment in future housing developments includes costs incurred to develop future residential housing units to assist the organization in meeting its objectives.

(e) Cash and cash equivalents

The organization includes cash on hand, held by financial institutions in operating accounts, and temporary investments in the determination of cash and cash equivalents.

CANMORE COMMUNITY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2018

3. Term deposits

Term deposits bear interest between 1.85% and 2.20% and have maturity dates ranging from January 2019 to June 2019. The carrying value of the term deposits approximates their fair value.

4. Trade and other receivables

	2018	2017
Mountain Haven Cooperative Homes	\$ 350,000	\$ -
Trade receivables	22,858	22,761
GST (payable) receivable	(85,371)	78,833
	<u>\$ 287,487</u>	<u>\$ 101,594</u>

The Mountain Haven Cooperative amount is held in trust until the completion of the condominium conversion. The condominium corporation formed will seek approval for the issuance of a promissory note evidencing a debt owing for the purpose of establishing a reserve fund. If the promissory note is approved, the debt will be repaid by the condominium corporation in 120 equal payments on the 15th of each month commencing the first month following the conversion, without interest. In the event that the issuance of the promissory note is not approved, the \$350,000 plus interest earned will be returned to the organization immediately.

5. Inventory held for resale

Inventory includes 17 units of Mountain Haven Cooperative Homes that will be developed into condominiums and sold.

6. Investment in future housing developments

Mountain Haven Cooperative Homes conversion contribution	235,382	-
	<u>\$ 489,456</u>	<u>\$ 262,118</u>

The organization has entered into an agreement with Mountain Haven Cooperative Homes Ltd. (the "Co-op") to lease Lot 41 of Block 4 (TSMV) for an initial lease term of 45 years. The lease also includes four 25 year renewal terms that can be exercised at the option of the Co-op. The Co-op has paid the organization \$362,000, which represents the net present value of the lease payments for the entire 45 year initial term of the lease at the time of inception of the lease. These lease payments will be recognized as revenue over the initial term of the lease which commenced on August 1, 2005.

During the year, the organization received \$250,000 from the Town of Canmore to assist in converting the Mountain Haven Cooperative Homes from a cooperative to a condominium corporation. During the year, \$14,619 was spent to convert the units which was recognized into revenue. The remaining balance will be recognized as revenue when the related conversion costs are incurred.

The organization is funded primarily through contributions from the Town of Canmore. During the year, the organization was allocated \$475,000 (2017 - \$470,000) from the Town of Canmore.

During the year, the organization used office space owned by the Town of Canmore. This space was provided by the Town of Canmore to the organization at no charge. Contributions have been recorded in the amount of \$25,620 for in-kind rent (2017 - \$25,620).

During the year, the Town of Canmore has advanced a total of \$4,245,000 to assist with the purchase of 17 units from Mountain Haven Cooperative Homes (MHCH). The corporation will repay the advance to the Town from any proceeds of the eventual sale of any of the 17 units acquired. The loan is interest free and there are no specific terms of repayment.

The Town also contributed \$250,000 to the corporation to implement actions and activities required to transition MHCH to a managed PAH development. This amount is not repayable to the Town. \$14,619 of this spending was spent during the year and recognized as revenue. The remaining portion of \$235,381 is in deferred revenue until the related conversion costs are spent.

During 2017, the organization purchased a parcel of land from the Town of Canmore for the Old Daycare Land project for \$1,300,000. The remaining amount of \$1,298,000 (2017 - \$1,298,000) will become repayable in 2019 when Phase three of Old Daycare Land project is complete. The loan is interest free and there are no specific terms of repayment.

The Town of Canmore has advanced a total of \$600,000 (2017 - \$600,000) to assist with the construction of McArthur Place. This loan bears interest at 2%. The principal plus accrued interest is repayable in 2020. As of December 31, 2018, \$36,972 of outstanding interest has been included in accounts payable (2017 - \$24,972).

CANMORE COMMUNITY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the year ended December 31, 2018

9. Related party transactions, continued

The Town of Canmore has established a repurchasing line of credit to the organization up to a maximum of \$1,500,000 for the purchase of PAH units. These loans are secured by the PAH units until repaid to the Town of Canmore and do not bear interest. The loans are repayable to the Town of Canmore 14 days after the resale date of the unit. As at December 31, 2018 the line of credit was withdrawn \$175,878 (2017 - unused).

During 2005, the Town of Canmore assumed a payable from the organization in the amount of \$325,000, which had previously been payable to an unrelated third party. The loan bears no interest or repayment terms and is unsecured. As of December 31, 2018, \$162,500 of this amount was outstanding (2017 - \$162,500).

In relation to the Old Daycare Land project, the organization has paid the Town of Canmore \$400,000 (2017 - \$400,000) for the development agreement deposit during the year. This will be repaid once the Town of Canmore is satisfied that the development has been constructed in accordance with the development permit.

These transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

10. Accumulated surplus

14. Budget amounts

The 2018 budget was approved by the Board of Directors and has been reported in the financial statements for information purposes only. The budget amounts have not been audited, reviewed, or otherwise verified.

The approved budget contained reserve transfers, capital additions and principal payments on debt as expenditures. Since these items are not included in the amounts reported in the consolidated financial statements, they have been excluded from the budget amounts presented in these financial statements.

In addition, the approved budget did not contain an amount for amortization expense. In order to enhance comparability, the actual amortization expense has been included as a budget amount.

Budgeted deficit per financial statements	\$ (148,030)
Less: Capital expenditures	(2,100)
Long-term debt repayments	(339,359)
Net transfers to reserves	(59,810)
Add: Amortization	588,428
Equals: Budgeted surplus	<u>\$ 39,129</u>

15. Commitments and contingencies

Canmore Community Housing Corporation has a future commitment to complete the Old Daycare Lands (Hawks Bend) construction project started in 2017. The total cost to the organization is estimated to be \$16,990,000 which will be funded by long-term debt.

During the year, Canmore Community Housing Corporation entered into an agreement to purchase 4 PAH units at 7th and 7th in Canmore and 3 units at Lookout Ridge in Canmore. The total cost to the organization is \$1,675,025 plus GST which will be funded by the line of credit. Deposits in the amount of \$175,879 have been paid and are included in prepaid expenses and deposits.

Land held by the organization (Palliser Lot 7) suffered flood damage in June, 2013 and its value is currently in question. Presently, the land is valued at \$1,768,000. Based on the available information, it is reasonably possible that an impairment in value has occurred. Management is currently in the process of determining how much, if any, impairment has occurred. It is not possible at this time to estimate the dollar value of potential impairment.

16. Subsequent event

In 2016, Canmore Community Housing Corporation entered into an agreement to purchase 7 PAH units at Peaks Landing in Canmore, subject to various terms and conditions. The units will have an approximate cost ranging from \$385,000 to \$412,500 each depending on the number of bedrooms in the units. There has been no change in this event as the developers are awaiting approval from the Town to allow for a re-zoning of the subject lands. Therefore, Canmore Community Housing Corporation has not moved forward with the purchases as of December 31, 2018.

Subsequent to year-end, Canmore Community Housing Corporation entered into an agreement to reacquire a PAH unit at Glacier Rock Lodge in Canmore, at the maximum resale value. The purchase price will be fully paid and vacant possession will be available on April 1, 2019.

17. Financial instruments

The organization's financial instruments consist of cash and temporary investments, trade and other receivables, amounts due from related parties, accounts payable and accrued liabilities, and long-term debt. It is management's opinion that the organization is not exposed to significant interest or currency risks arising from these financial instruments.

The carrying value of these financial instruments approximates their fair value.

18. Comparative figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year.

Damage deposits held by PEKA Property Management have been classified separately on the balance sheet as funds held in trust assets rather than combined with due to related parties. The changes do not affect prior year earnings.

The opening balance of debt related to investment in future housing developments has been reallocated between equity in tangible capital assets and unrestricted surplus to better reflect the use of the debt proceeds.
